Office of the Project Director
National Sanitation Project (Phase-III)
Department of Public Health Engineering
14, Shaheed Captain Mansoor Ali Sarani, Kakrail, Dhaka

Ref.No.: 46.203.2600.527.07.003.16-106

Date: 26/06/2016

Request for Expression of Interest (EOI)
For Selection of Local Consulting Firm against Performing
Feasibility Study and Design for Improved Latrine in Extremely Hard to Reach Areas
under National Sanitation Project (Phase-III) DPHE, Dhaka

The National Sanitation Project (Phase-III) has been allocated public funds from the Government of the Peoples Republic of Bangladesh (GoB) toward the cost of the Consultancy Services for Feasibility study and Design for Improved Latrine in Extremely Hard to Reach Areas in Bangladesh and it intends to apply these funds to payment under the contract for the provision of Consultancy Services for the project by a Consulting Firm (National).

The services includes desk review of previous studies on sanitation situation in Hard to Reach areas, secondary data collection, primary data acquisition (data not covered by the secondary data), study on different latrine options, mapping of existing sanitation situation, people consultation, demand assessment, environmental and social assessment, feasibility study based on the hydro geological, socio economical, environmental aspect, selection of different and area specific feasible technologies, organizing Seminar/Workshop.

The experience, Resources and Deliverable Capacity required are:

1. At least 15 years corporate/firm experience in the field of Water Supply and Sanitation related consultancy.
2. Experience on study/services within last 10 years.
3. Average annual turnover of at least Tk. 1 crore in the last 3 years.
4. In-house availability of adequately experienced Team Leader, Sanitation Engineer, GIS specialist, Sociologist, Financial Analyst, Gender Specialist, Junior Engineer, AutoCAD Operator, Junior Hydrologist, Junior Sociologist.
5. In-house capability to undertake computer-aided design and drafting.

The National Sanitation Project (Phase-III) now invites eligible Applicants to indicate their interest in providing the services. Interested consulting firms are invited to provide information indicating that they are qualified to perform the services. This shall require substantiation through submission of brochures and other documents describing similar assignments, experience in similar operating conditions, availability of appropriate professional qualification and experience among applicant's staffs, resources to carry out the assignment, financial capability etc.

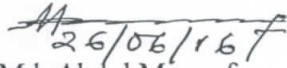

An applicant may associate with other consultants to enhance their qualifications.

A shortlist of consulting firm(s) will be prepared upon evaluation of EOIs of the eligible applicants and "Request for Proposal" document will be issued in their favor. The consulting firm(s) will be selected based on Quality & Cost Based selection (QCBS) method in accordance with the procedures set out in the PPR 2006 and PPR 2008 of GoB. It is expected that the service will commence on 01/09/2016 and shall be completed within a period of 12 months.

The interested firms must submit the applications (6 copies, original & 5 copies) along with the documents mentioned earlier. Interested Applicants may obtain further information on the requirements including the criteria of short listing by applying to the address below during normal office hours up to 26/07/2016.

Expression of interest shall be submitted by 12.00 Noon on 27/07/2016 in sealed envelope delivered to Project Director, National Sanitation Project (Phase-III) and be clearly marked "Expression of Interest for Selection of Local Consulting Firm against Performing Feasibility Study and Design for Improved Latrine in Extremely Hard to Reach Areas under National Sanitation Project (Phase-III) DPHE, Dhaka."

The procuring entity reserves the right to accept or reject any or all EOIs without assigning any reason whatsoever.
